IN THE RACE TO WIN
AUGUST 1st, 1918Answers Questions of Tax
payer For Benefit of the
Whole Public.

Has Proven His Ability.

In a recent issue of a daily paper
some man evidently afraid to come
out boldly, endeavoring to knock a
cripple, under the non de plume
"Taxpayer" asks the question "which
position does Mr. Douglass want?"Mr. Douglass states he has made
it very plain in all his announcements
that he wants the position of Gen-
eral Superintendent of Roads, the
same place which was created as a
knock at him, and that he does not
want to hold a position as a "nonen-
tity" to any man who may be elect-
ed to that place, and him left as
merely an ornament in the office,in view of the fact that he has done
more for the roads on less money
than any two of his predecessors
and has thereby proven his fitness
to be at the head of road building
and pike maintenance in the coun-
ty of Knox.Mr. Douglass states he is a candi-
date for General Superintendent of
Roads, subject to the will of the vo-
ters of Knox county, and he hopes
his position has been made clear for
"Taxpayer" and every other citi-
zen, and that he has confidence in
the judgment of the people and
does not fear these covert attacks
made on him by designing politi-
cians.
